

Table of Contents

Chapter 1: Real Numbers	1
Section 1: Natural Numbers and Integers.....	2
Section 2: Rational Numbers	8
Section 3: Real Numbers.....	17
Section 4: Counting.....	26
Section 5: Infinities.....	34
Chapter 2: Complex Numbers	37
Section 1: Introduction to Complex Numbers.....	38
Section 2: More Operations on Complex Numbers	45
Section 3: Polar Form: Introduction	53
Section 4: Converting to Polar Form.....	61
Section 5: Multiplication and Division in Polar Form	69
Section 6: Exponentiation and Roots	75
Chapter 3: Beyond Complex	82
Section 1: Quaternions.....	83
Section 2: Quaternion Multiplication and Reciprocals	90
Section 3: Linear Equations in the Quaternions	98
Section 4: Infinitesimals.....	105
Section 5: Smaller and Bigger	111
Answers to Odd-numbered Exercises	118
